It's spring time again here in our lovely canyon and you know what that means!!! It's time for the annual **BOW WOW - POW WOW!!!!** A.K.A. : **The Dog Parade!!!** All those hours of hard work and training you and your dog have been putting in are about to pay off! It's time for you to bring your pooch down to **GLENOAKS PARK** on **SATURDAY APRIL 24TH** for the big day!

At 4:00 pm, you and your fuzzy faced friend will get to walk in the parade while showing off the award winning dog costume you've been sewing together all winter. Don't forget to wear your matching one because you'll be modeling your costumes to a panel of choosy judges! Best costume wins a ribbon and prize!

Then the two of you will have the stage to dazzle the crowd with your amazing pet tricks. The competition is always tough for this one, but your dog is probably the smartest dog in the world, after all. We'll see what the judges say about it. Finally, the event everyone has been training for since last spring....The Agility Course! You'll be standing proud when your super star K-9 tip toes over the beam, runs as fast as lightning through the tunnel and zig zags perfectly through the flags for the best time! Of course you and your pet will take the blue ribbon home for all the events! 2nd and 3rd places will go to your neighbors dogs!

Disaster Preparedness Program Update

MASSIVE EARTHQUAKES IN HAITI & CHILE— WHERE DOES OUR NEIGHBORHOOD STAND?

This year marks the 20th anniversary of the Glenoaks Canyon Disaster Preparedness Program. We distribute a questionnaire every other year to each household to chart where valuable human and material resources are that would help our canyon in a large scale disaster. GOCHA has supplies and finances the training of our volunteers.

Here's the big "BUT": We are only as effective as you, a canyon resident, choose to be with regard to making your own home safe for your family. You must follow the 12-step program that we post once a year over 12 weeks at the entrance to the canyon. It's also available on our website www.glenoakscanyon.org.

Unless each homeowner takes responsibility to assure his family's safety in these basic ways our volunteers will be overwhelmed and less effective in an emergency. Take this plea seriously and consider joining our volunteers to acquire skills that will benefit you at a critical time.

We have 70 volunteers who have basic training in helping assess our needs after a disaster. Some of them have not attended our annual drill for some time. **This is a call to all volunteers to attend future drills** to assure that you are as ready as possible.

In September, you will receive a questionnaire that will give us up-to-date information about your family's needs and resources. This information is kept strictly confidential, only made available to volunteers in case of a disaster. In 20 years, participation has varied from 5% to 35% of households. Not participating can be to your disadvantage. **Everyone is encouraged to fill out the questionnaire and mail it within 1 month to have their information on file.**

The brush fire last August that came near numerous homes caused the fire department to close our canyon to incoming cars, causing residents frustration at not being able to reach their homes. Some volunteers offered to shuttle neighbors to their homes. This is commendable but there is now way of organizing this service ahead of time. Does anyone have ideas on how to facilitate access in this type of situation. If so, please contact me. We can also assist fire and police in an emergency by moving all vehicles into driveways facing the street for a quick exit.

If you have any ideas on how to further improve our program, please call me at (818) 242-4290

Your PRESIDENT'S MESSAGE

If you haven't yet had the opportunity to attend the annual Bow Wow Pow Wow, please mark your calendar for Saturday, April 24th, from 4 to 6 pm as you will be in for a light-hearted, fun-filled treat. You don't have to own a dog to enjoy this event. Truth be known, I am really a "cat person" with one of my two kitties purring on my lap right now as I type this out. However, I have to admit, the Glenoaks Canyon dogs that turn out for the Dog Parade are pretty darned irresistible in their costumes and doing their tricks. Many thanks go to Jennifer Hoppert for all her efforts in making this event so special each year. Please call her at (818) 240-6006 if you have any questions or would like to volunteer your help. Hope to see you then!
