

# READY!

- Create a Family Disaster Plan.
- Have fire extinguishers on hand & train your family how to use them.
- Know where your gas, electric & water main shut-off controls are and how to use them.
- Have several evacuation routes.
- Have an emergency meeting location.
- Have an emergency supply kit.
- Appoint an out-of-area friend or relative as a point of contact.
- Carry a list of emergency contact numbers with you and in your emergency supply kit.
- Keep an extra emergency supply kit in your car.
- Have a portable radio or scanner so you can stay updated on the emergency.

# SET!

- Evacuate as soon as you are set!
- Alert family and neighbors.
- Dress in appropriate clothing. Have goggles and a dry bandana or particle mask handy.
- Ensure that you have your emergency supply kit with you.
- Stay tuned to your TV, local radio stations, and social media for updates, or check the fire department website.
- Remain close to your house, drink plenty of water and keep an eye on your family and pets until you are ready to leave.

# GO!

- Leave early enough to avoid being caught in fire, smoke, road congestion.
- Don't wait to be told by authorities to leave.
- Leave to your predetermined location.
- Have several travel routes.
- Take your emergency supply kit.
